

REMARKS

The Examiner is thanked for his telephone call September 1, 2003, in which claim 6 of the Proposed Amendment of August 31 (inadvertently dated August 12) , 2005 was discussed for inclusion of limitations of claim 1. The so-proposed claim 6 is above, along with the other claims as previously proposed to point out the condition of the previously indicated allowability of claims 1-17 of the private dwelling or office that originally was only preferable.

The originally preferable condition is restored to claims 1, 6 and 19 for the indicated allowablity without Festo-like considerations.

The Examiner also now indicated that time could be provided for simultaneous consideration of proposed claim 6 by the applicant. Further discussion on Tuesday, September 6, 2005, was proposed.

Reconsideration and allowance on the above proposals are requested.

Respectfully submitted,

William R. Evans
